

Preface

VOLUME EIGHTEEN of *Life and Learning* presents a selection of papers from UFL's 2008 conference. We are deeply grateful to Marquette University for providing a wonderful venue for this meeting, and especially to our indefatigable local host, Prof. Richard Fehring as well as to the Marquette Chapter of UFL. As the Program Chair for this conference, Prof. Frank Beckwith deserves our heartfelt thanks for arranging a fine program. We would also like to express our grateful appreciation to Our Sunday Visitor Institute for a special grant in support of the 2008 UFL Conference and to all the benefactors of UFL who have made possible its annual meetings as well as the publication of its newsletter and of its annual volume of proceedings. Without their generous contributions this organization would not be able to continue its work.

Let me also offer special thanks to Prof. Carol Nevins Abromaitis (Loyola College of Maryland) and to Prof. Jacqueline Nolan-Haley (Fordham University Law School), for their invaluable help yet again this year in the reviewing the papers submitted for this volume.

Electronic versions of these papers and many of those delivered at previous UFL conferences are available on our web site at www.uffl.org. For additional copies of this volume or for bound versions of the proceedings of our earlier conferences, please contact me at koterski@fordham.edu.
