

# Preface

VOLUME TWENTY-FIVE of *Life and Learning* offers a selection of papers from the University Faculty for Life's 2015 conference.

UFL is deeply grateful to the Law School of the University of St. Thomas in Minneapolis, Minnesota for hosting this meeting, and to Professor Teresa Collett of the Law School and Professor R. Mary Hayden Lemmons of Philosophy Department for arranging all the details of this meeting. We are also very deeply in the debt of Professor Barbara Freres of Stritch University, who served as the Program Chair for this year's meeting.

Let me also offer my personal thanks to Professor Jacqueline Nolan-Haley of the Fordham University Law School for her invaluable help yet again this year in the reviewing the papers submitted for this volume.

Electronic versions of these papers and many of those delivered at other UFL conferences are available on our web site at [www.uffl.org](http://www.uffl.org). For additional copies of this volume or for bound versions of the proceedings of our earlier conferences, please contact me at [koterski@fordham.edu](mailto:koterski@fordham.edu).
