

A multidisciplinary fellowship of scholars advancing respect for human life at its beginning and end through dialogue, research, and publication.

UFFL Membership Form

Regular members are current or former (full-time or part-time) faculty members from any university or college who agree with the goals of UFFL. Associate members are those who do not meet the requirements for regular membership but who agree with the goals of UFFL.

By applying for or renewing UFFL membership, I affirm the following: "I have read and agree with the goals of University Faculty for Life, Inc., and I agree not to engage in any illegal activity in my capacity as a UFFL member."
