

Preface to Volume Twenty-One

VOLUME TWENTY-ONE of *Life and Learning* offers a selection of papers from the University Faculty for Life's 2011 conference. UFL is deeply grateful to the University of Notre Dame for sponsoring this meeting, and in particular to Dr. David Solomon of the Notre Dame Center for Ethics and Culture and his staff for hosting this meeting, as well as to the Notre Dame Faculty for Life and the Notre Dame Fund to Protect Human life. We are especially grateful for the generous financial support provided by the Our Sunday Visitor Institute.

For the preparation of the program of speakers, we are in the debt of Professor Barbara Freres of Stritch University, who served as UFL's Program Chair. Let me also offer my personal thanks to Professor Jacqueline Nolan-Haley of the Fordham University Law School for her invaluable help yet again in reviewing the papers submitted for this volume.

Electronic versions of these papers and many of those delivered at other UFL conferences are available on our web site at www.uffl.org. For additional copies of this volume or for bound versions of the proceedings of our earlier conferences, please contact me at koterski@fordham.edu.
