

## Preface

VOLUME TWENTY-NINE of *Life and Learning* contains a selection of papers from UFL's 2019 conference at the University of Saint Mary of the Lake in Mundelein, Illinois. UFL is deeply grateful to our president, Dr. R. Mary Lemmons of the University of St. Thomas, and to our program chair, Dr. Barbara Freres of Cardinal Stritch University, for their work in organizing this program.

Let me also offer my hearty thanks to Professor Jacqueline Nolan-Haley of the Fordham University Law School for her invaluable help yet again this year in the reviewing the papers submitted for this volume.

Electronic versions of these papers and many of those delivered at previous UFL conferences are available on our web site at [www.uffl.org](http://www.uffl.org). For additional copies of this volume or for bound versions of the proceedings of our earlier conferences, please contact me at [koterski@fordham.edu](mailto:koterski@fordham.edu).
